

TEXAS BAPTIST BIBLE COLLEGE

2403 Bedford Road
P.O. Box 1043
Bedford, Texas 76095

STATEMENT OF PURPOSE

The purpose of Texas Baptist Bible College is to provide practical higher education for committed Christians which enables them to best serve their Lord in a church setting. The college conducts programs for training in practical church ministries for both professional and lay leaders, emphasizing Bible knowledge coordinated with skills in Christian service, education, and personal spiritual growth.

ACCREDITATION

The Supreme Court of the State of Texas has ruled that Bible colleges offering training for ministry purposes are not required to be accredited by any state or private agency. The state's previous law requiring such was ruled to be in violation of the constitutions of both the State of Texas and the United States of America. Our policy will be to strive for excellence in preparing men and women for the gospel ministry of the Lord Jesus Christ. However we are not and do not seek State accreditation.

Any transfer of credits to other institutions will be solely at their discretion.

I understand TXBBC is not accredited.
